

## **A BeFriender Prayer**

---

**Loving God,  
guide me to be an instrument of your  
listening presence to those in need  
of your love.**

**Revitalize my spirit, so I can provide  
compassion and an empathetic heart  
to those whom I visit.**

**Allow me to be a companion on the journey as  
I respond to my Baptismal call as a BeFriender.  
We ask this through Christ our Lord. Amen.**
